Upload the Presentation File

Please note that every time the speaker upload a file to the same topic, the new file will replace the previous one.

Get the Presentation file

- Plug in the speaker's USB drive or download the file from internet.
- If the speaker needs to edit the file, let s/he edit it on the USB drive.
- Then, copy the presentation files (either PPT or PPTX) to the upload workstation's "Desktop".
- **Unplug the USB drive** before you upload the file.

Always unplug the USB drive before you upload. If speaker has more than 1 presentation, copy all of them to the workstation before unplug the USB drive.

Login to the System

- Open the Google Chrome browser and open SRRS URL. Default is <http://192.168.88.200/>
- Login the SRRS with speaker's last name (case insensitive) and registration code. You could find both on Speaker's badge.
- On top-right will display the speaker's name, check it.
- After login, click the [Speaker Ready Room] button on top menu.

Upload Presentation File(s)

- On the right will display a presentation topic list of this speaker.
 - Ask Speaker to confirm the topic list is correct.
 - Find the specific topic and click the [Choose File] button and select the file from "Desktop".
 - There should be only ONE file for each topic.
 - If the speaker has a separate video, ask the Technician to embed it inside the PowerPoint file before upload. A PowerPoint file with video must be saved in PPTX format.
 - It will display the % progress during uploading.
 - After it is finished, click the [Review] button to review the presentation file.
 - Check the playback of the PowerPoint file is ok, especially the playback of video file, if any.
 - If need, repeat the above steps to upload another presentation file.
- When it is done, click the top-right dropdown [Logout] button to logout.

Write "Note to operator"

If the speaker has special request to the session room, such as using his/her own computer for presentation. Besides uploading the presentation file, you should write a note to the operator.

- Login the SRRS with speaker's account as usual.
- Find the specific topic from the topic list as above.
- Click the [Note] button on top of the topic.
 - Write the note in the popup window and then click [Save] button.
- The [Note] button should change to "Yellow" color.
- Logout the speaker's account.
