

# Gmail Set up 2-Step Verification

Nowadays, most online email system will requires 2-Step Verification to protect your account. Please follow this guide to setup for Gmail.

- Open your browser and go to <https://accounts.google.com>
- Login with your email address and password as usual
- After login, click the “Security” on the left pane and then scroll down to find the “2-Step Verification”.
  - The current status should be “Off”
  - click the “2-Step Verification” and then click [Next]
  - google will ask you to login with your password again
  - On the “Let's set up your phone” page
    - choose the Country and enter your mobile number
    - choose “Text message” and click [Next]
  - Enter the 6-digits code you receive from Google and the click [NEXT]
  - On the last page, click [TURN ON] to enable the 2-Step Verification
