

Allow user send as alias

<https://www.alitajran.com/send-from-alias/>

- Open PowerShell
- connect Exchange PowerShell

```
PS C:\Users\xx> Connect-ExchangeOnline
```

- check current configuration

```
PS C:\Users\xx> Get-OrganizationConfig | ft Name, SendFromAliasEnabled
```

- enable send as alias

```
PS C:\Users\xx> Set-OrganizationConfig -SendFromAliasEnabled $True
```

- check current configuration again

```
PS C:\Users\xx> Get-OrganizationConfig | ft Name, SendFromAliasEnabled
```
