

Creat menu

Menu在网站中的显示如下图:

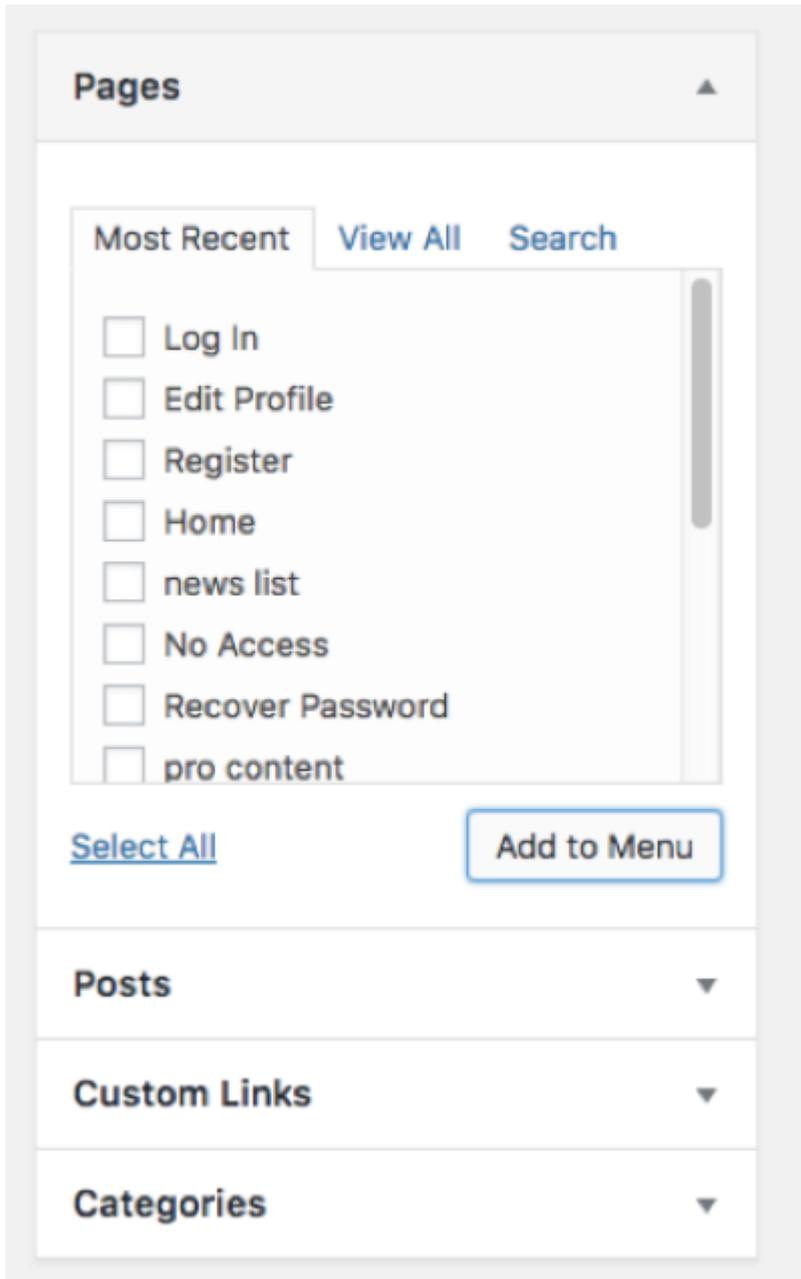

- Dashboard>Apperance>Menus
- 点击“create a new menu”

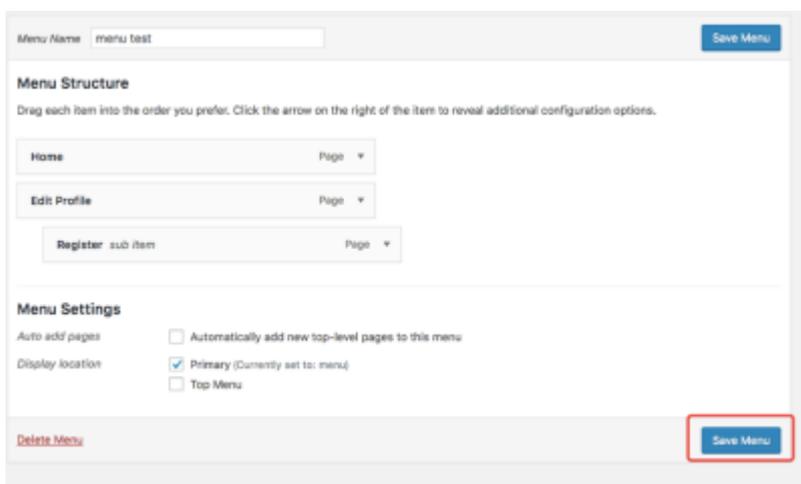

* 输入menu的名字, 点击 [create menu] button

A form for creating a menu. It has a text input field labeled "Menu Name" with the value "menu test" entered. To the right of the input field is a blue button labeled "Create Menu". Below the input field is a small instruction: "Give your menu a name, then click Create Menu."

- 在Pages, Posts, Custom Links Categories处选择需要添加在menu中的内容, 然后点击[Add to Menu] button

- 将鼠标放置在项目上，可以拖动到你喜欢的顺序。将项目往右侧拖拽，可以令该项目成为上一个项目的“子项目”

- 点击 [Save Menu] button
