Git

Install [Git](#) and [SmartGit](#)

It is recommended to use File Manager (Working Tree) as the main window style for SmartGit. You can choose this during the installation, or you may change this setting in `Preferences > User Interface`.

> ⚠️ Remember to copy and rename your Public Key id_rsa.pub to your firstname.lastname.pub (e.g. david.ma.pub) and email it to us at developer@questwork.com.
